## **100% Italian manufactured lighting combined with MEAN WELL's complete safety products is the key to TEC-MAR's success**

Date: June 20<sup>th</sup> 2019

Starting with indoor lighting, and expanding to outdoor and industrial lighting products, TEC-MAR is an LED lighting company that designs and produces its products entirely in Italy. TEC-MAR's "High Performance Lighting" slogan, accurately describes its mission, and incorporates a balanced interaction between tradition, modernity, high quality, creative contribution and wide application of each product.

Thanks to the complete certifications provided by MEAN WELL on its products, TEC-MAR has been able to win prestigious projects both in Italy and abroad. For TEC-MAR, MEAN WELL is a dynamic company that continues to produce new high technology power products, and that's why TEC-MAR chose MEAN WELL as a long-term partner.
